Mr. Beecher says, in a recent sermon: "To fall from high position socially by reason of misfortune in business, or by loss of wealth, is to the lower sort of men degradation, but to the higher it is coronation."

The Sultan Abdul Aziz, it is said, was most graceful in his bearing towards the Empress Eugenie during her stay at Constantinople, his habitual brusqueness giving place to an unwonted amiability. After her departure he actually sobbed.

A lady lecturer, who has the right to put M. D. after her name, argues that, "because American women are enthusiastic, they are the handsomest in the world. Foreign women, as a rule, become too stout, are too phlegmatic, too expressionless."

A temperance society in San Francisco arrays itself against that habit of saying, "What'll you have?" "Come, let's take a drink!" or anything of the kind. The members do not approve of total abstinence; they only solemnly pledge themselves not to pay for any other man's drink, nor to drink at a bar with anybody. The society is serious in its intentions, believes that the conviviality of barrooms is the cause of most intemperance, and has a membership of standing and influence.

There is an old gentleman now living at Butler, Berks county, Pa., who was born in 1776, and who says he intends to go to Philadelphia in 1876 to attend the Centennial. This centenarian, Mr. David Douglas, is a well-known citizen of Butler, who moved to that place when it was a wilderness, prior to 1800. He saw General Washington in the West, after the close of his term as President. He lives by him self in a little old shanty on the main street, refusing to sell any of his property or to improve it, and is perhaps the oldest man west of the mountains.

The thirty young ladies who are to carry the temperance war to the Pacific coast will leave Washington, Ind., this week for Omaha. After singing to the whiskey sellers there, they will visit Reno, Virginia City, Sacramento, San Francisco and lesser places. One California editor fears that they will all be absorbed before they reach the Grass Valley.

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.

**Dr. J. Walker's California Vinegar Bitters**

are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of WALKER'S BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable quality of WALKER'S BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carnative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Soporific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim WALKER'S BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

**Bilious, Remittent, and Intermittent Fevers,** which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with WALKER'S BITTERS. No epidemic can take hold of a system thus fore-armed.

**Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sore Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.**

**Scurful, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Gout, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, &c.** In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

**For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.**

**Mechanical Diseases.**—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

**For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald-head, Sore Eyes, Erysipelas, Itch, Scourf, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.**

**Pin, Tape, and other Worms,** lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

**For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Bitters display so decided an influence that improvement is soon perceptible.**

**Cleanse the Vitiated Blood** whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
